

STELUXE® STELUXE® +

CLOSURES / Long skirt closures for alcohols & spirits

A perfect line !

STELUXE® 's secret is the insert slipped into the aluminium shell. The result gives a completely smooth exterior, allowing a greater choice of decoration and smooth bottle opening.

A leading edge product, STELUXE® + closure combines our last innovations : the elegance and modernity of STELUXE® with its insert and its perfect line, combined with the great range of STELCAP® + finishes, such as inked embossing, silk screen...

A top that suits the most prestigious spirits.

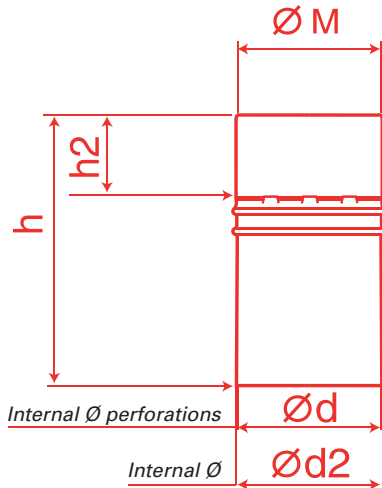

Our option :

NRP : In markets particularly sensitive to counterfeiting, think about integrating the NRP inbore device in your STELUXE® closure.
